

Destiny™

On-Line Library Manager

Have you seen Destiny yet? Ask your child to tell you about BCPS' new on-line library catalog. Every school in Baltimore County has an online catalog page. Point your browser at Destiny, find CVE in the elementary list and have fun exploring our collection by clicking on the CATALOG tab!

Need to know how many books your child has checked out:

- ✓ Go to Destiny - <http://destiny.bcps.org>
- ✓ Click on Cromwell Valley Regional Magnet Elementary School in the "Elementary Schools" list.
- ✓ Scroll to the right and click on Login (top right corner)
- ✓ Type in your child's username and password (or have them login for you!)
- ✓ Click on the "My Info" tab on the tab bar.
- ✓ You will see a list of books your child has checked out. If there are no books checked out you will see "You currently have no transactions."
